

RHSA VS. HISA

Rooted In Science

RHSA makes rules based on generally accepted science and peer review studies.

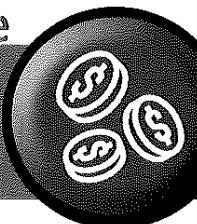

NOT Rooted In Science

HISA makes rules based on public perception.

Cost Effective

RHSA utilizes state racing infrastructure and resources.

NOT Cost Effective

HISA will cost horsemen \$66 million in fees in 2023 alone.

Industry Collaboration

RHSA was written by horsemen, for horsemen and has widespread support.

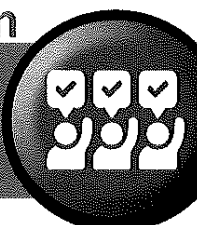

NO Industry Collaboration

HISA was written by a small group of industry elites behind closed doors.

Industry Representation

RHSA's board is comprised of individuals familiar with each component of the racing industry.

NO Industry Representation

HISA's board is comprised of handpicked elites who don't own, breed, or race horses.

Transparent

Governmental organization that makes its budget, meeting minutes, and communications open to the public.

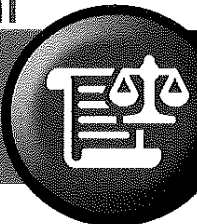

NOT Transparent

Private corporation that keeps its budget, meeting minutes, and communications private.

Constitutional

RHSA gives regulatory power to a government-appointed entity and is subject to the constitution.

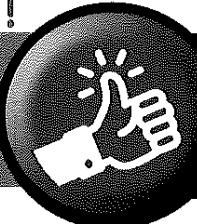

NOT Constitutional

HISA gives regulatory power to a private corporation and was ruled unconstitutional by the 5th Circuit Court of Appeals.

RHSA Works!

RHSA is a piece of legislation that is by horsemen and for horsemen.

HISA Does NOT Work!

HISA is an unworkable law crafted by industry elites. It has caused chaos and confusion since it began.
